I. Introductory Provisions

- A. The Junior Livestock Sale (the "Sale") is a terminal sale. Every animal that is marked 'for sale' by the exhibitor and qualifies for the Sale will be terminal except for those that **win** the educational 4-H trip and are invited to participate in the LSU Louisville show. The LSU Louisville trip animals will be terminal after the show by the assigned chaperones or in accordance with the decisions and rules designated by the Ark-La-Tex Ag Council ("ALTAC").
- B. Junior Livestock Sale Participation Requirements
 1. These rules are specific to the Sale.
 2. Exhibitors who have qualified to participate in the Sale shall accept and comply with these requirements.
 3. Participation in The Jr. Livestock Sale is a privilege not a right. The Sale is to reward and assist exhibitors with their projects. Parents and others working with these youths are expected to be examples of integrity and good sportsmanship. (Which most exhibit and is appreciated)
Failure to abide by this expectation may result in banning from this or future sales.
 4. Any failure to perform in accordance with these requirements will subject the exhibitor for discipline as set forth in the ALTAC rules.

II. Sale Provisions, Standards, and Requirements

A. Selection

1. ALTAC will select approximately **20% of each species**, including Grand Champions and Reserve Champions, Louisiana Bred Champions and Reserve Champions and 10% of the Chicken Pens, not to exceed 20 pens, including Grand and Reserve Champions.
2. ANY animals that qualified and are posted for sale will **NOT** be allowed to leave the Louisiana State Fair premises.
3. A sale list will be posted immediately after each Grand Champion drive, listing the animals that have qualified for the Sale at that time, however, it is subject to change as exhibitors who qualify with more than one animal/species make their choice as which one to have in the Sale. The final Sale list will not be available until after the last market show. Each exhibitor wishing to commit their project to The Sale, must sign an "Intent to Sell" form within 2 hours after the completion of their show. This form is a legal and binding contract and cannot be modified or changed unless all parties agree.
Before signing this contract, you should carefully read it to ensure that you understand your obligations.
4. Any exhibitor who qualifies with more than one animal/species must choose only one of the two animals/species to sell. If an exhibitor qualifies with more than one project, and one of the animals is a Grand or Reserve Champion, then the exhibitor must sell the Champion. If the exhibitor qualifies with both the Grand and Reserve Champion, then both Champions will sell.
5. Only the animals sold in the Sale will be terminal.
6. Livestock exhibitors who qualify for the Sale will be responsible for the care, control, custody, and feeding of their own animals through and to the point the animals leave the sale ring on sale day.
7. ALTAC judges will award "best-dressed" prizes for exhibitors in each species based on neatness of appearance.
ALL EXHIBITORS entering the sale ring MUST be dressed in the same way they would be for show.
Shirts must be sleeved, collared, with shirt tails tucked and a belt. Those not dressed accordingly will not be allowed in the Sale ring.

- 8. All animals consigned to sell are to be sold **only** by the registered owner/exhibitor, unless it has been requested IN WRITING and approved by the ALTAC Executive Board **prior to sale day**.
- 9. All animals sold in The Sale become property of ALTAC.
- 10. **Any Premium money (Add-Ons) may be done if it is added on BEFORE the start of the sale of that species. This must be done with the assigned worker. The responsible party must sign for their donated "premium money" for the lot in which they are bidding. All premium money designated for a lot will be announced as the animal and exhibitor enter the sale ring.**

B. Testing

- 1. ALTAC has the authority to perform examinations or additional testing upon any livestock that has qualified for The Sale.
- 2. ALTAC reserves the right to mark Sale animals before or after the Sale.

C. Effect of Condemnation

- 1. If any animal is condemned at slaughter for any reason, whether by testing results or by any USDA-inspector condemnation, ALTAC shall withhold any payment due the exhibitor.
- 2. Any disqualified exhibitor will be barred from selling a market animal at The Sale the next year.

D. Payment

- 1. Payment to the exhibitor will not be made until all testing results have been received and declared negative or non-suspect.
- 2. A commission charge of ten percent (10%) of the gross sale price will be levied against the animals sold in the Sale.
- 3. No payments will be issued to any exhibitor until all payments are collected from parents and family members of the exhibitor. This applies to bid sheet balances and premium sheet balances.
