October 1, 2026

Dear Friends and Neighbors,

Thank you once again for your participation in the 2025 Louisiana State Fair Junior Livestock Sale sponsored by the Ark-La-Tex Agricultural Council (ALTAC). It is an event that attracts the attention of all Louisiana and, most importantly, supports our youth throughout the state.

On Wednesday, November 4, 2026, at the Louisiana State Livestock Sale Arena, you will once again have the opportunity to touch the lives of these youth by participating in The Sale. This will be the **90th** annual sale, and you can help make it one of the best sales in history!

The Junior Livestock Sale is a culmination of months – even years – of dedication and hard work on the part of young people involved in 4-H and FFA livestock projects. Youth throughout the state will show steers, hogs, sheep, goats, chickens, and Ag Mechanic projects, competing for that special opportunity to sell their animal or project in this year's Junior Livestock Sale.

We hope that you will be a supporter of these outstanding 4-H and FFA future leaders by contributing to this year's sale. We would be most honored to have you there on the day of the sale to witness first-hand the excitement of the day. The Ag Council, along with the Egg Commission & Louisiana Cattleman's Association, will be serving breakfast for buyers starting at 9:00 a.m., followed by a 'Meet & Greet' time to visit with 4H and FFA livestock exhibitors and hear their livestock raising stories that you don't want to miss!
Presale activities will begin at 11:30. If you cannot make it to The Sale, we would be more than happy to bid on your behalf. You may make your donation before sale day, or you can choose to receive a bill after the sale. ANY AMOUNT IS APPRECIATED and will help support an exhibitor who is in the agricultural business on a small scale.

Again, we thank you for your interest in this event. It is a very worthwhile cause that we believe will not only promote your business as a community leader but will provide great personal satisfaction for supporting the youth of Louisiana.

"Your Investment Today Builds the Agricultural Leaders of Tomorrow!"

Ark-La-Tex Agricultural Council is proud to announce we are now not only a 501 (c) (6) organization, but we are now officially recognized as a 501 (c)(3) nonprofit organization. This is an exciting milestone for the Ark-La-Tex Agricultural Foundation and opens new opportunities for individuals, businesses, and community supporters to partner with us in investing in the future of agriculture. IRS Determination letter available upon request and contributions may be tax deductible to the extent allowed by law.

Should you have any questions, feel free to call David Ogletree (318) 423-8402 or Kay Stough (318) 465-0156.

Sincerely,
ALTAC Board
